For

exceptional service provided in support of the Joint Civilian Orientation Conference (JCOC 59). (b)(6) supported JCOC not only as Air Force Project Officer and coordinator of the Air Force program at Nellis Air Force Base, but also as facilitator in arranging for the point to point Air Force transportation during the week-long conference. Through his efforts, the JCOC had the unique opportunity to fly on board the Air Force's C-17 and the KC-10 Extender. This resulted in an extraordinary opportunity for JCOC participants to view the aerial refueling of the B-2 and F-117 stealth aircraft. (b)(6) superb performance reflects credit upon himself and the United States Air Force.
